The Actors Benevolent Fund of NSW is able to offer small measures to help relieve pressure for NSW based members of the performing arts community during this period of crisis. Due to the limitation of available funds and expected need, all support is given at the discretion of the management committee of ABF NSW. Should you require ongoing or higher levels of assistance please go to <https://www.actorsbenevolentfund.org.au/page/10/find-assistance> for more information.

\* Mental health support is offered in addition to the complimentary services accessible through NSW Health Plan. Please speak to your GP about how to access this plan before requesting assistance. We can assist if you need urgent support before the complimentary service becomes available. Please let us know the expected start date for treatment.

Return this form to [info@actorsbenevolentfund.org.au](mailto:info@actorsbenevolentfund.org.au). We will be in touch as soon as possible.
